

## **Privacy policy**

The main goal of the ESH Embedded Systems Hungary Kft. is to fully comply with all Hungarian and European Union legislation, including the protection of personal data of consumers and business partners.

Data is considered personal data especially in case of name, e-mail address, home address, telephone number, date of birth, marital status, invoicing information, bank and bank account information, commission generated, bank card data, username and password.

The ESH Embedded Systems Hungary Kft. handles and stores these personal data according and in full compliance to the European Parliament and Council (EU) Regulation 2016/679 (April 27, 2016) GDPR regulation and the domestic law of CXII of 2011 on the right to self-determination and freedom of information.

We only handle personal data if the person has consented to it, and we use it exclusively for the purpose for which the person has made it available to us.

ESH Kft. performs data management only within the systems operated by ESH Kft. and only during the terms of the contract or the business relationship with the data subject. The data is exclusively managed by the current employees and executives of the ESH Kft. only to the extent they need them to perform their services for the data subject. With regard to accounting and its statutory requirement for the mandatory retention period of invoices, any personal data provided (name, billing address) on the invoices and/or on their escorting documentation will be preserved for such mandatory time period.

The invoices are processed by an external accountant, who can get to know the personal data on these documents to the extent of performing the accounting activities.

In accordance with the provisions contained in Article 12 of the GDPR regulation, the necessary notification, information, as well as the rights of the data subjects, are detailed in our Data Handling Policy that is only available in Hungarian: [www.esh.hu/downloads/esh-adatkezelesi.pdf](http://www.esh.hu/downloads/esh-adatkezelesi.pdf)

During the processing of personal data, ESH Kft. ensures the security of the data, that is in compliance with data management rules and ensures the privacy protection of the data subjects.

If you have any questions or comments regarding the protection of your data, please do so contact us at the following contact details: [info@esh.hu](mailto:info@esh.hu)
